Oprea Olivia
Android App Developer

Nitu Nicolae
Android App Developer

OUR GOAL?

Match. Chat. Have fun

Are you bored? Are you looking for someone to drink a glass of wine? Do you want meaningful conversations? You can do all of this, while having fun on our app.

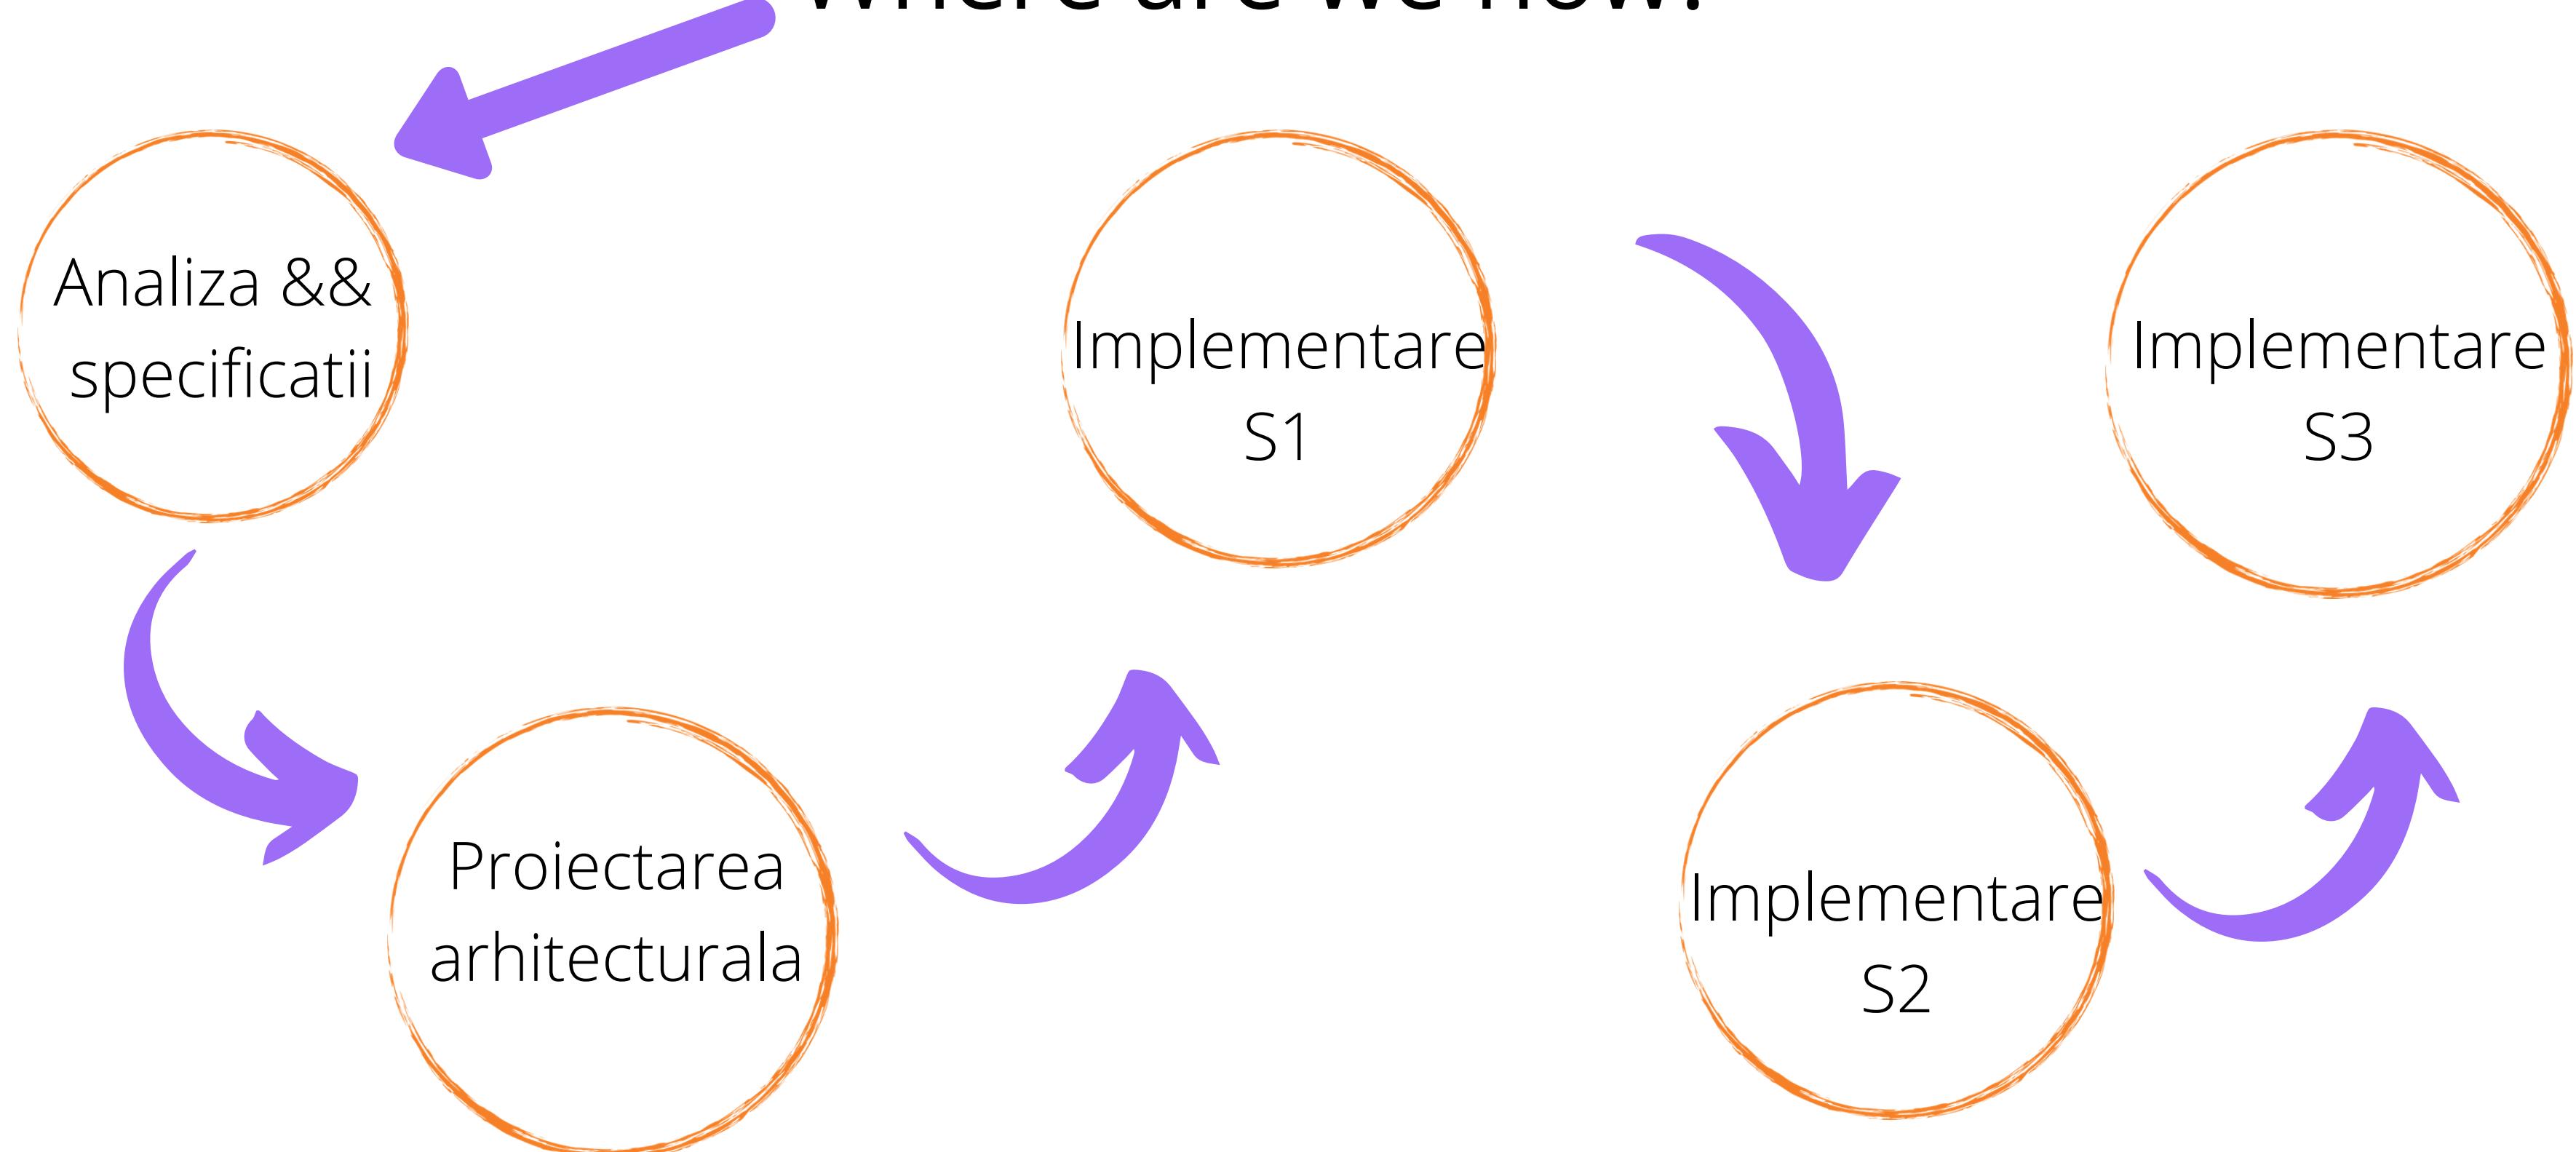

Objectives

- MEET NEW PEOPLE USING AN INTUITIVE ANDROID APP
- SWIPE EASILY ON THE WEB SERVICE
- REAL-TIME COMMUNICATION USING A BACKEND REST API

Where are we now?

Risks and Competition

Lack
of
experience

The team must
evolve with
technology

Privacy
policies

 tinder

 okcupid

 bumble
